# OUR COFFEE FARM AND PROCESSING FACILITIES

## yirgachfee, Guji - Coffee Farm

Situated in the picturesque region of yirgacheffe and Guji, our coffee farm is where the journey of Dello Coffee Export begins. Here, amidst the lush landscapes, we cultivate and nurture the finest coffee beans, ensuring a direct link between our passion and the origin of our exceptional coffee.

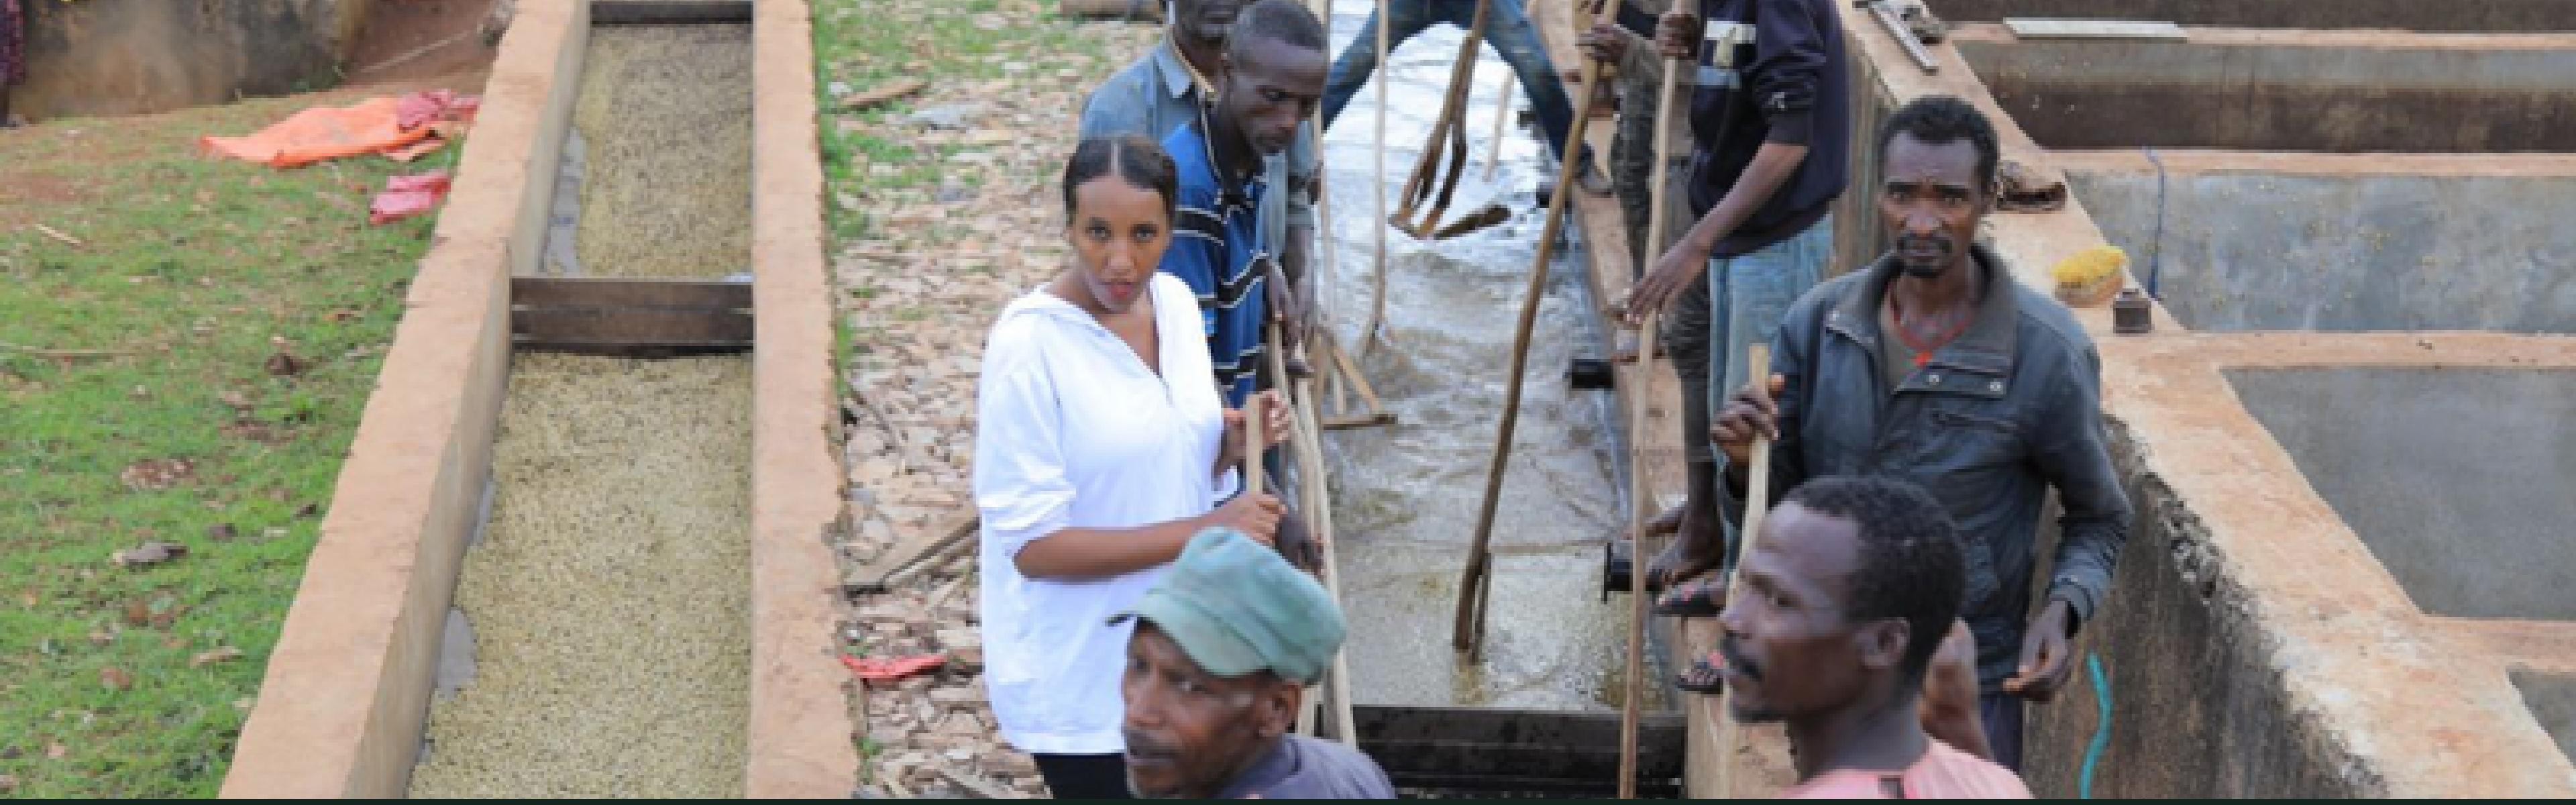

# OUR COFFEE FARM AND PROCESSING FACILITIES

## Bale Dry Coffee Processing

We take pride in our Bale Dry Coffee Processing facility, a crucial stage in our commitment to quality. The Bale region, known for its unique climate, contributes to the distinctive characteristics of our coffee. Our careful dry processing methods enhance the flavor profiles, resulting in a truly remarkable cup of coffee.

## PROCESSING STATION - SIDAMA WASHING STATION

In addition to our farm and Bale Dry Coffee Processing, we have established a private processing station equipped with state-of-the-art facilities. This allows us to maintain control over the entire coffee production process, from cultivation to processing, ensuring the highest standards are met.

In the sidama region, we operate a washing station where we process our coffee with meticulous care. The unique climate of Bale contributes to the distinct characteristics of our coffee, ensuring a truly remarkable cup with every sip.

# WHY CHOOSE US?

## Direct Farm-to-Cup Experience

Our coffee journey begins at our own farm in Yergacheffa, Guji, ensuring a direct connection between our passion and the origin of our exceptional coffee. By controlling every step of the process, we deliver a truly authentic and unique farm-to-cup experience.

## Commitment to Quality

We are committed to delivering coffee of unparalleled quality. Our stringent quality control measures, from sourcing to processing, guarantee a cup of coffee that exceeds expectations.

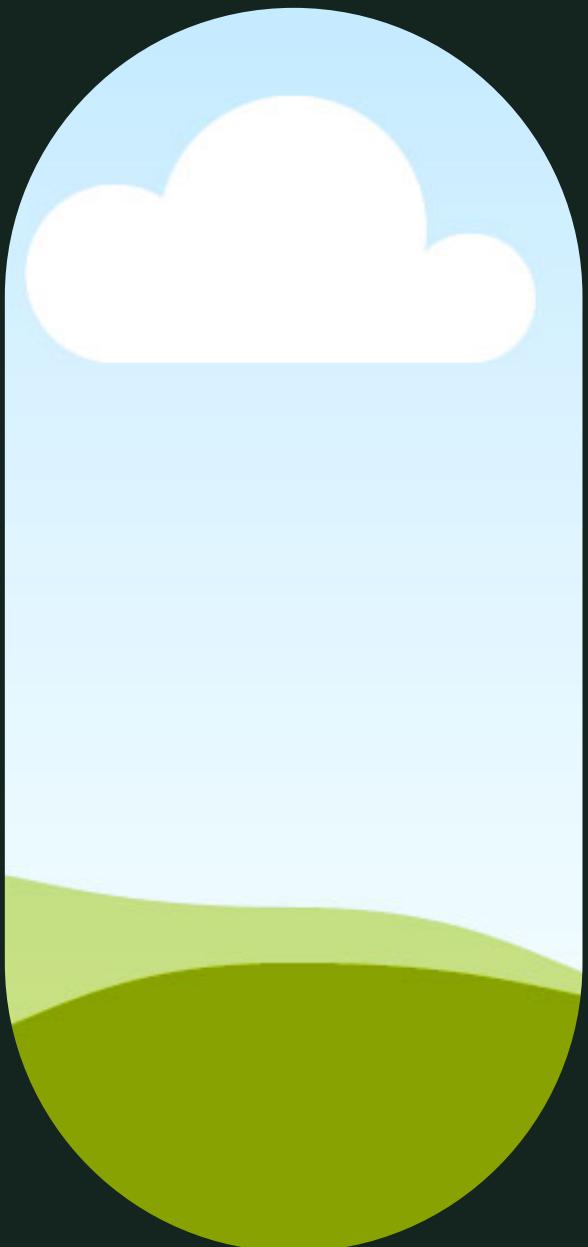

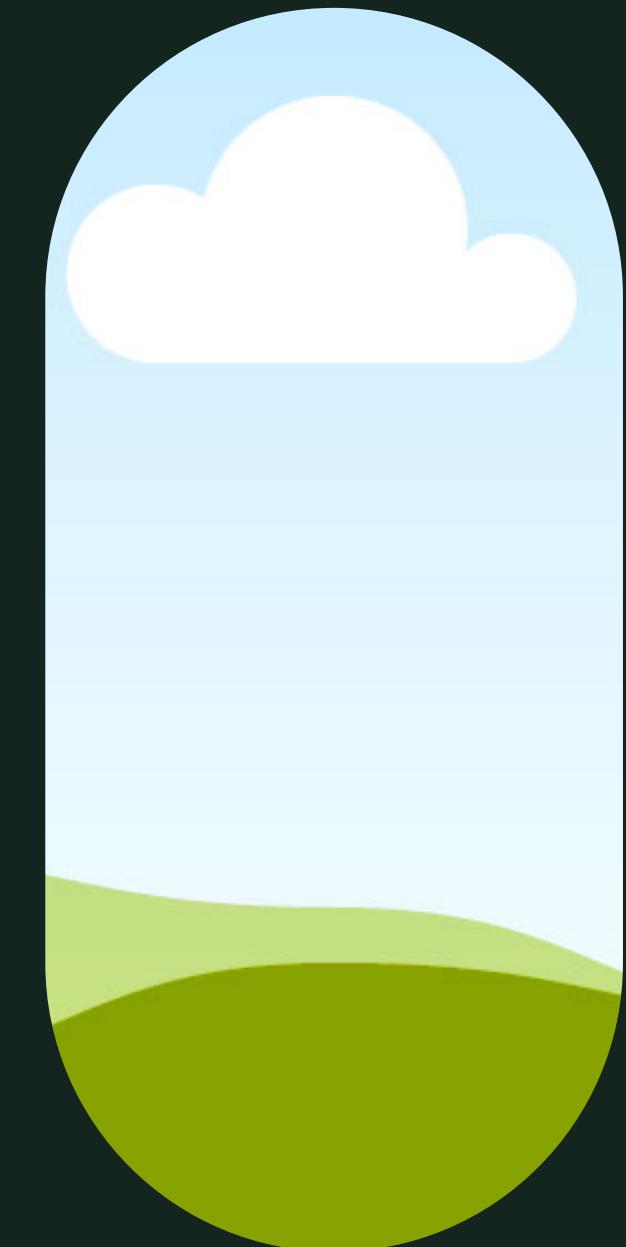

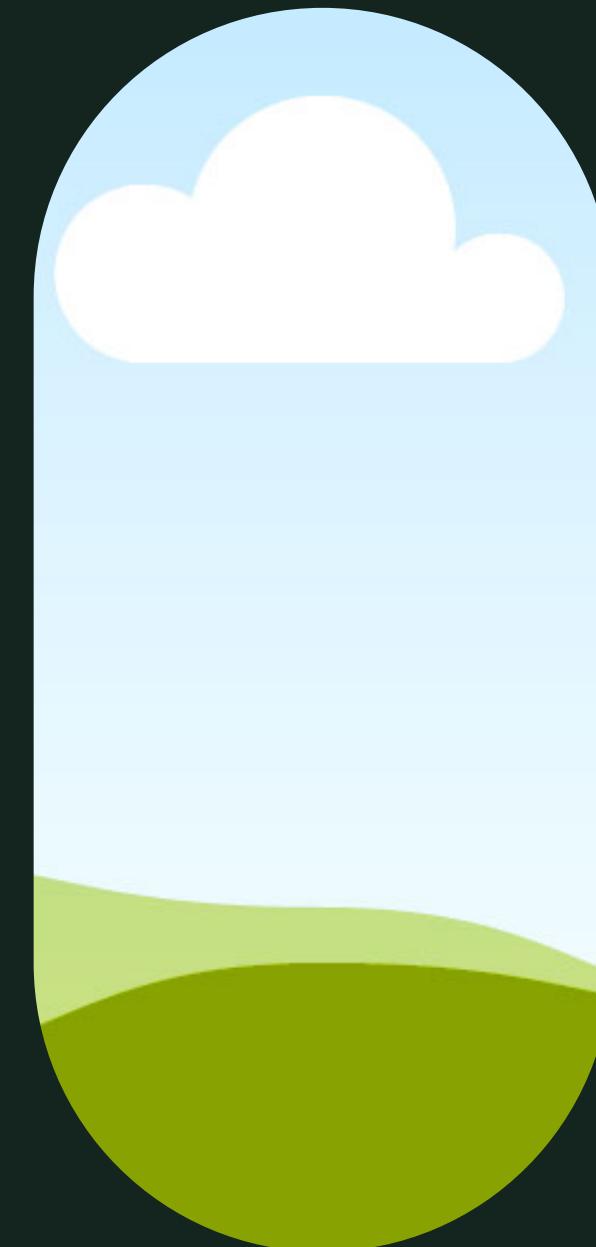

## Sustainable and Ethical Practices

Dello Coffee Export actively engages with coffee-producing communities, promoting fair trade, environmental responsibility, and social well-being. Choosing us means supporting sustainable and ethical practices in the coffee industry.
